

# Tail Waggers

By Tisha Cooper

## Monster Pulls

These toys made by Doggles are tough, eco-friendly and adorable. Made from recycled materials, the 4 layers of ballistic nylon covered in a strong plush exterior are durable and the squeakers in each leg will keep your dog entertained for hours of play. Monster Pulls are available in one size and 4 styles- each in a bright color.

Retail price: \$19.99

### Flying Fish

The Flying Fish is a great way to keep your dog cool and entertained. This tear and puncture resistant float and fetch toy offered by Ruff Dawg is made in the USA from durable Rufflex rubber and is easy on teeth and gums. This toy not only floats, but has a hole for you to attach a rope, making it easier for your dog (and you) to retrieve.

Retail price: \$14.99

## Toys, toys, toys...

If your dogs are anything like mine, they can never have enough toys. They especially love when I bring home a new toy- it is an exciting challenge for them that keeps them stimulated and out of trouble! The pet industry makes it easy to keep my dogs stocked in novel toys with frequent new offerings for pet parents to choose from.

Here is a selection of favorite toys for your dog to shake, squeak, chase, fetch and tug- after all, dogs just want to have fun!

## Spring Roll

The Spring Roll by Wet Noz is made of long-lasting, FDA grade rubber and will "satisfy your dog's appetite for fun". This ergonomically shaped toy is named to describe its exciting action- whether you bounce it, toss it, or roll it, your dog's attention will stay focused on its erratic motion. The Spring Roll is available in 2 sizes.

Retail price range: \$5- \$12
